

2012 PACIFIC CUP

NOTICE OF RACE – AMENDMENT ONE

1. OSR 6.05.2 is amended such that the “Senior First Aid Certificate or equivalent” requirement is waived as a race requirement, but such training is highly recommended.
2. OSR 3.29.1 is further amended. The amendment originally providing that “~~All yachts must be equipped to send and receive e-mail communications during the race~~” is deleted. The race organizers recommend such capability, however, since PCYC may communicate fleet-wide traffic by email in addition to SSB communication at Roll Call.
